PART 6

You like patterned wallpaper (flowers, motifs).
But you have a question : is it easy to put up?

Your brother-in-law leaves you a message on your answering machine. This is it :

“Hi! I forgot to tell you something important. For the wallpaper, choose plain. You wanted patterned paper. With flowers, I seem to remember... But you’ll have difficulty putting it up. With patterns, you have to make sure they match. They must be positioned right. This is the first time you have put up wallpaper. So plain will be easier. See you next week!”

Which wallpaper do you prefer? Underline it.

- patterned wallpaper
- plain wallpaper
- washable wallpaper

What wallpaper does your brother-in-law advise? Underline it.

- patterned wallpaper
- plain wallpaper
- flowered wallpaper
- washable wallpaper
