Winston's song

A cook, a cook, I'll be a cook,
A cosy nook, by hook or by crook.

P_____, **p**_____, **c**_____, and **w**_____
G_____, **c**_____, I get good dosh.

It's a god job to be a chef, chief!
It's a god job to be a chef, chief!
A cook, a chef, a chef, a chief
To be a cook's to be a chief

I'm Winston, I'm Winston
C_____s my mission!

I'll **r**_____, I'll **m**_____, I'll **r**_____, I'll **s**_____
I'll **w**_____, I'll **m**_____, I'll **b**_____, I'll **i**____

'Cause catering's my mission, chef is my vocation
I'll get my NVQs or my name's not Winston.
I want to be a cook, time to turn a new leaf
'Cause if I am a chef I'll also be a chief.

Cook and pizza deliveryman

Winston (interviewed par Alex Major): Oy, Alex! Are you doing a survey? For your University? Yeah, University is not for me! Right. Delivering pizzas is just a temporary job, to save up some money. But the team work is rather cool, well except for the manager, my boss. Of course, half of the time you do a lot more than just delivering: you cook the pizzas and put them in their boxes. After closing time you wash up and clean everything (ovens, counters) and sweep the floor. And when you do the deliveries, you need to know the district, the one-way streets. It's best to memorize the quickest way there and back before you leave. Speed, man... Stressful, really!

Next term I'll start doing NVQs in Catering. Yeah, I quite like it apart from peeling veggies. But I love food presentation and creating new dishes. Is it hard work? Yeah, sure, but I can take it! I can put up with the heat and I stay calm. I don't mind working late evenings and at weekends. What I would really like to be is a head-chef, directing my own team, sure, but above all: no manager breathing down my neck!
