Retired army major

Major: Monty, Alexander, I gave you conquerors' names so that you would take up military careers! Just like me! Field Marshal Major was my rank and I am proud of it. To serve one's country as a soldier is more than just a job, my boys. You are a soldier and you work in your specific domain. Monty, you want to be a mechanic, it appears? Good! You will be a mechanic in the army! What about you, Alexander? Sports? Very good! And bear in mind there are over 400 jobs in the Army. You still have a choice!

A few words relating to a retired army major:

Here is a text using a lot of words from the list. Read it carefully, as you will have to use the same words afterwards.

Take the Army for example. What does it mean? Flexibility, loyalty, a sense of team spirit and discipline. Is it dangerous? When you are stationed in countries at war, certainly. So what? You are men, are you not? And you know that half the jobs in the Army can transfer to civilian life. Take your A-levels first, Alexander? As you wish. But remember one thing: you can still join the Army without qualifications. Understood? Well, get on with it!

In the armed forces sector, Major would be able to choose from 400 jobs in the Infantry, the Air Force, the Navy, the Military Police... For example: maintenance man for infrastructure, air traffic controller, pilot, nurse, shopkeeper, mechanic, meteorologist, flight simulator instructor, fireman, police man, guard dog handler, court police officer, helicopter pilot, potholer, forensic scientist...

Major: Ah yes, Mrs. Spectacle, I am doing manoeuvres with my dog. Training, just like in the Army! I teach him how to obey orders, to respect his master, to understand the campaign. Look, I have put a little flag on his collar. I give him an assignment, to fetch the paper for example, and if he succeeds he gets a reward: I give him another decoration for his collar. He is heading for a stripe, you know. Soon I will give him a promotion to a higher rank! Right Brutus! Back to barracks! Of course at first it was a bit difficult...But between you and me, I took a few lessons from a circus trainer. Listen! I can hear my neighbour taking her Yorkshire terrier out. That one will never make a good serviceman, believe me!
