Policeman

Jim: Yes Sir? For a statement? Tell me everything... Yes... Yes, I know about that. Could you just say it again quickly please? Find what? I see. You can find this sort of costume jewellery in supermarkets. My sister has the same ones. Take them to the Lost and Found department. Yes, Dennis? Frank has arrested the actor Paul Handsome for speeding? Again! – Goodbye Sir – I was following him last week for that business about those objects stolen from famous people in town. Inspector Polombo is on the case. Ah, Frank is on his own for the traffic. He needs some extra hands! I'll go! I'll need someone with me... What? We're on our own? I've spent all my time doing this wretched report and I didn't even see the others leave! Where have they all gone?

Dennis: Kevin is questioning the manager of the discotheque about yesterday's fight. You know, there was that DJ Ben that the kids all love. Some of the girls started fighting. Gerry is taking his motorbike test at this very moment. Mike is transferring a prisoner to hospital. There's just Steve and Nadia left, and they're doing their rounds. They're patrolling the stadium because of the match this evening, but they've not left yet. I'll ask them to join you there? OK, the police car is on their way; I'll ask them to pick you up.

Hello Nadia? Where are you?
